What's going on in our classrooms?

We had lots of fun and engaging activities going on this week at CHS!

In Mr. Poss' and Mr. Burton's classes, students are experiencing urban life during the industrial age through a game/activity requiring them to envision city architectures.

In Mr. Brooks' art class, students are creating their own Comic strips!

In construction, students were extremely proud of the stools they made.

Look how nice they are!
