Cleburne High School will be well represented at the Regional swim meet following top performances at Thursday's District contest, including a gold medal in the girls 400 freestyle relay. Cleburne's girls team placed third overall, and the boys finished in the seventh place spot, with a team of 19 competing for the Jackets. Top six finishers in relay and individual events are now headed for the Regional contest, set for February 2-3 in Mansfield. Besting their 2017 silver medal finish in the 400 freestyle relay, Mackenzy Mathson, KaiLi Hall and Kambree Coates, joined this year by freshman Morgen Mathson, came away as District Champions in the event. They were also on the medal stand for their third place finish in the 200 medley relay. Coates placed second in the 200 freestyle and fourth in the 500 freestyle. Hall came away with a silver medal in the 100 breaststroke and took the bronze in the 200 freestyle. Mackenzy Mathson is also a regional qualifier in individual performance with a fourth place finish in the 100 butterfly. Morgen Mathson posted a fourth place in the 50m freestyle and was sixth in the 100 freestyle. On the boys' side, Cleburne qualified for Regionals with a fourth place finish in the 200 medley relay and in the 200 freestyle relay with a sixth place finish. Matthew Cain and Matthew Harmon swam a close fifth and sixth respectively to qualify in the 100 breaststroke. Jaxon Coates, in his first year as a Jacket swimmer, is also headed to Regionals with a fourth place finish in the 100 butterfly and top five time in the 200 freestyle.
